

Martha's Vineyard Adventure Camp

2021 Summer Camp Information Packet

Covid-19

2021 will be a little different than our normal years so please make sure you read this entire information packet. This will be updated as things change from the CDC, local, state and federal Covid-19 policies.

Face coverings are not required because we are 100% outdoors. You are more than welcome to wear a mask. Our counselors will always have new face masks with them for anyone that soiled their mask and needs a new one.

All equipment will be thoroughly disinfected daily.

We have had to change our inclement weather day due to Covid-19. To stay 100% outdoors, if there is server weather, we may be forced to cancel or end the day early. If a full day is canceled we will attempt to have a makeup day on the weekend. If the weather does not allow for the makeup day, unfortunately there will be no refund for the days missed.

Drop Off, Pick Up

Drop off (8:30am) and pick up (12:30pm) will be at each activity site. We will not be transporting campers in our vans due to Covid-19. We ask everyone to be patient and to keep a distance while checking in your child. Once your child is checked in, we would like you to have your child wash their hands at our hand washing station. After they wash their hands, we would like the parents to say goodbye and they can walk over and join the group. When you arrive to pick up your child up, staff will direct your child to walk over to you.

Below are the activity locations including GPS coordinates and drop pins for google & iPhone maps. We think this will be the best way to guarantee you have the correct directions. Some locations do not actually have addresses at all. If you are viewing this on your phone, you can click on the google maps or iPhone link for directions. If you printed this out, please put the GPS Coordinates into your phone maps.

Kayaking and Beach Day may change to a different location due to unfavorable winds and weather conditions. If this happens, we will contact you with updated directions. If you do not hear from us, plan to go to our original drop off locations.

- Time:** Camp starts at 8:30am and ends at 12:30pm.
- Late Drop Off:** If a camper is late for drop-off for biking or kayaking day, the counselors are instructed to wait 15 minutes extra. If you do not arrive within that time we will depart without you and you will miss the day as there is no way to get your child into the group after they leave. There will be no partial refunds due to you being late.
- Late Pick Up:** If you are over 15 minutes late from picking up your child you will need to call us and pick him/her up at our office located in the airport business district.
- Extended Care:** Extended care is canceled due to Covid-19.

Itinerary

- Schedule:** We will contact you either by phone or email on Sunday the day before camp starts to let you know what activity we are doing each day. We wait until the last minute so we can plan according to the weather.
- Food & Drinks:** Please pack your own NUT FREE snack that does not require refrigeration. We have limited space on kayaking and biking day so we request that you bring a snack bar or something that can fit in a zip lock snack size bag. We recommend they have a full breakfast before camp starts. Please bring a water bottle which we will refill for them throughout the day.
