

Martha's Vineyard Adventure Camp

Summer Camp Information Packet

Itinerary

Time: Camp starts at 8:30am and ends at 12:30pm.

Schedule / Directions: Each day you will be driving your camper to a different location based on which activity they are doing for that day. We will email you on Sunday afternoon, the day before camp starts, letting you know which activity we are doing each day of the week as well as driving directions with Google Maps and iPhone Maps links to take you there. We wait until the last minute so we can plan our locations according to the weather.

Late Drop Off: If a camper is late for drop-off for biking or kayaking day, the counselors are instructed to wait 15 minutes extra. If you do not arrive within that time we will depart without you and you will miss the day as there is no way to get your child into the group after they leave. There will be no partial refunds due to you being late.

Late Pick Up: If you are over 15 minutes late from picking up your child you will need to call us and pick him/her up at our office located in the airport business district.

Food & Drinks: Please pack your own NUT FREE snack that does not require refrigeration. We have limited space on kayaking and biking day so we request that you bring a snack bar or something that can fit in a zip lock snack size bag. We recommend they have a full breakfast before camp starts. Please bring a water bottle which we will refill for them throughout the day.
