

Martha's Vineyard Adventure Camp

Summer Camp Information Packet

Itinerary

Time: Camp starts at 8:30am and ends at 12:30pm.

Late Drop Off: If a camper is late for drop-off for biking or kayaking day, the counselors are instructed to wait 15 minutes extra. If you do not arrive within that time we will depart without you and you will miss the day as there is no way to get your child into the group after they leave. There will be no partial refunds due to you being late.

Late Pick Up: If you are over 15 minutes late from picking up your child you will need to call us and pick him/her up at our office located in the airport business district.

Schedule: We will contact you either by email on Sunday afternoon the day before camp starts to let you know what activity we are doing each day. We wait until the last minute so we can plan according to the weather.

Food & Drinks: Please pack your own NUT FREE snack that does not require refrigeration. We have limited space on kayaking and biking day so we request that you bring a snack bar or something that can fit in a zip lock snack size bag. We recommend they have a full breakfast before camp starts. Please bring a water bottle which we will refill for them throughout the day.
